CRAFTED	
My Heart Beets For You	\$ 25
Beefeater gin beetroot juice fresh lemon juice yuzu juice homemade ginger syrup patchouli	
Straight out of the glass and onto your pallet comes the new Japanese gin, peacock-parading a sucker punch of tart Asian citrus to the jaw. Then comes the organic earthy tones of beetroot and ginger, two vegetables who think they're fruits - these two raw and powerful beasts of a burden, bring this cocktail crashing back down to earth.	
Dancing With Almonds	\$ 40
SIGNATURE	
Absolut Blue vodka strawberry juice orange lemon juice egg white	
The entire flavor's joined together smile beautifully. You may ask yourself why is it served in a birdcage and why are the birds out of their cage? Well the cocktail itself is so full of love and jubilation the birds' escaped their own cage.	
Smokin Razz	\$ 25
Beefeater gin lapsang tea syrup fresh lime juice egg white raspberry	
A very elegant gin combined with the fresh raspberry and smoky flavors of lapsang tea and a simple kiss of lime leaves your pallet begging for more.	
Double Trouble	\$ 25
House spiced rum mango passion fruit juice orange fresh lime juice cinnamon dust	
Double Trouble for the troublemakers! My father once said, "What one rum can't do two certainly can". So with spiced rum and white rum and the tropical fruit it is sure to transport you to the Caribbean.	
Abuelo Mojito	\$ 25
Peppermint tea infused Bacardi rum chamomile honey syrup fresh lime juice soda	
Abuelo mojito where we break all the rules! Hell maybe we can't even call it a mojito! There is no fresh mint inside, no muddled lime, no sugar no angostura bitters! Yet this cocktail creation arose from the classic mojito. Where we've taken full advantage of our fresh mint and mix it with dried mint and infuse into the rum, we then divorce the sugar and marry the honey.
